

Student Sponsorship

Our sponsorship family continues to bloom! Special thank you and welcome to Micheline McCarron of Penticton BC, Brenda Sheridan of St. Thomas, ON, and the Youth Ambassadors of Christ of Notre Dame Catholic School in Caledonia, ON! And much gratitude to all our sponsors who renewed their sponsorship gift for the 2018-2019 academic year.

Sponsoring a student can take many forms: as a one-time \$500 annual gift, or set up as a \$50 monthly gift. You can also "share" a student between friends, family, co-workers, etc., each providing a portion of the payment needed to reach the full sponsorship level.

Student sponsors help us ensure funds are always available for teacher salaries, student supplies, uniforms, and a daily lunch.

Only 20% of enrolled students are currently matched with a sponsor. Email us for more information, or visit our website!

Sponsorships can be a full, one time gift (\$500/year), partial, or made as a monthly, recurring gift in any amount. \$50/month ensures a student receives an education, uniform, school supplies, and a daily hot meal.

Heart for Haiti Forums Thank You Ontario!

Thank you Ontario!! If you were unable to attend one of our forums in London or St. Thomas, we're sorry we missed you!

Heidi and Louise received warm and welcoming receptions in both communities, and had a last-minute invite to speak to students at Notre Dame Catholic School in Caledonia, hosted by their Youth Ambassadors for Christ (YAC) Team.

Many thanks to our hosts, St. Anne's Parish, Holy Angels Parish, and the Knights of Columbus in St. Thomas, and Tecumseh Community School in London.

Looking for a speaker for your group or next meeting. Or want to help us spread the word about eliminating poverty through education? Email us - we'd love the opportunity to share about our work! 

HIMH Wine Tours

2018's HIMH Winery Tours & Tastings are finished for this year - but what a wonderful season of sipping! HIMH hosted two public wine tours (spring and fall - if you missed out, make sure to "like" our facebook page, or follow us on twitter!), and two private wine tours over the summer months.

Our guests enjoyed fabulous views, yummy snacks, and tasty wine. Be sure to mark your calendars for our Spring 2019 Winery Tour & Tasting in late April/early May.

Happenings in Haiti

The new school year has begun! Our students are now well into the school routine, just like in Canada!

Our students were greeted this year by some new teacher faces, as our students advanced to Grade 7! As you may recall from past newsletters, Grade 6 often marks a time when many students stop attending school entirely, often due to financial hardships in the home. We are so fortunate to be able to provide one more year of schooling for our students.

Below, our school director Gregory poses with our Grade 7 student class!

Your financial gifts from attending our events, or contributing during our student sponsorship campaign, or purchasing the art greeting cards enabled us to purchase ALL the textbooks and workbooks for this year.

We were also able to support the construction of a portico over the main entrance area, providing much needed shelter from the hot sun and rain.

Thank you!

Travel to Haiti

In Memoriam Our Founder, Maxime Louis

This past September marks the one year anniversary of the passing of our school's founder, Maxime Louis, whose vision of accessible education for all families is the heart of Institute Mixte Remax.

Staff and students celebrated Maxime's life and honoured his vision with a memorial service and procession to his resting place, placing fresh flowers and praying and singing.

Mark your calendars for Caribbean Kanaval 2019!
